

Mordialloc College Alumni Association (MCAA)

est April 2014

A fully incorporated not-for-profit association (A0061960Y)

OVERVIEW:

The Mordialloc College Alumni Association is a not-for-profit incorporated entity devoted to the school and memories about it. We aim to be the central repository of resources pertaining to the school before the school's centenary in 2024. We welcome members who wish to help us achieve this aim.

AIMS:

- to be the central repository of digital memorabilia of Mordialloc College prior to the school's centenary in 2024;
- to 'give back' to the school in the form of sponsorship and tertiary scholarships and support for capital works, technology and library acquisitions;
- to benefit our membership by fostering a sense of community;
- to raise the profile of public education generally;
- to drive the agenda for the centenary celebrations of the school in 2024; and
- to be a focal point for corporate donations, bequests and sponsorship from the community.

LONGER TERMS AIMS:

- to produce a book, and accompanying DVD, in commemoration of the school's centenary;
- to construct an on-site commemorative centenary garden;
- to develop a permanent on-site museum to store and display the school's archives; and
- to develop a navigational app for the centenary celebrations in 2024.

We welcome membership from former students, donations from the public and sponsorship from local companies.
